

after the rain

switzerland

Valens Wellness Center welcomes the prestigious Swiss spa brand [after the rain®](#), renowned for the quality of its customizable treatments.

Launched with success in Geneva, [after the rain®](#) comes to Cyprus and proposes a complete and original treatment menu «made in Switzerland».

[after the rain®](#), holders of Swiss patent, is one of the first and most prestigious spas in continental Europe, Russia, Asia.

These innovative treatments combine Swiss technology with pure creativity. Carefully chosen ingredients, full customization made possible by an ingenious packaging, dreamlike textures and original fragrance all contribute to their particular effectiveness.

In your [after the rain®](#) day spa, a team of experts takes pleasure in catering to your needs and desires. A unique place to experience a new sense of wellbeing according to your individual needs and desires.

signature facials

after the rain® exclusive facials offer a genuine spa experience coupled with an effective beauty treatment.

You choose your facial according to your desires at any one time. after the rain® spa prescriptions and products ensure that your current skin needs are well taken care of.

- mysteries and alchemy 90mn / 80€ 60mn / 45€

anti-ageing [this treatment is based upon the metaphor of alchemy whereby metals are transformed into gold. In the context of a beauty treatment the objective is to slow down cell degeneration]

- dormancy 90mn / 80€ 60mn / 45€

hibernation [the beginning of the treatment leads to a state of hibernation, in deep relaxation and total receptivity. It stimulates the biological process of cell regeneration]

- the milky way 90mn / 80€ 60mn / 45€

calming and protective [keeps your skin safe from aggressions by the sun, pollution and psychological irritations. Its effectiveness is drawn from the exceptional properties of natural organic milks]

- botanical garden 90mn / 80€ 60mn / 45€

purifying and soothing [an experience in the heart of the botanical world. The goal is to purify the skin. Your own personal selection of fresh herbs are used throughout this deep cleansing facial treatment]

- pearl & silk 90mn / 80€ 60mn / 45€

precious and effective [this treatment is very gentle, with the help of noble ingredients. Both pearl and silk, venerated since ancient times for their cosmetic virtue, restore your skin's natural elasticity and smoothness, bringing radiance to your complexion]

- pure 60mn / 45€

deep cleansing [for this pure facial, active mineral and botanical ingredients refine and purify the skin, thanks to steam treatment enriched with carefully chosen plant extracts and a massage with pink clay]

- le merveilleux 120mn / 120€

innovative [the ingredients for this innovative treatment are pearl and silk, known for their cosmetic virtue. It includes a back massage, double exfoliating scrub, blackhead removal if necessary, a hand treatment with a paraffin dip, and eyebrow and eyelash tinting]

body massage

delightful and beneficial essentials oils associated with the art of massage.
